

BEILSTEIN INSTITUT

**Beilstein
Enzymology Symposium
2019**

**Molecular Functions,
Catalysis and Regulation**

**10 – 12 September, 2019
Rüdesheim, Germany**

Instructions for Poster Presentations

Location

The poster exhibition will be placed in close connection to the conference room. Your poster board will be marked with your poster number which is the same in the abstract book.

Poster Mounting

Please mount your poster either on 9 September from 16.00 or on the 10th latest by 8.30.

Your poster will be on display throughout the symposium. You are asked to remove all poster-mounting materials from the board after the meeting otherwise it will be taken down on time by the organizers. The organizers cannot ensure any further responsibility for this material.

Poster Material

The size of your poster board is 120 x 90 cm (height x width) and will be marked with your poster number. Hanging material for the poster boards will be provided onsite.
