

BEILSTEIN INSTITUT

**6th Beilstein
Glyco-Bioinformatics
Symposium**

**Time-proof Perspectives on
Glycoscience**

25 – 27 June, 2019, Limburg, Germany

Instructions for Software Presentations

Location

The software demonstrations will take place in a separate room close to the conference room at regular conference's time.

Presentation

Each presenter has its own table at which he can demonstrate a selected piece of software to an interested audience. The software demo session is 90 min. The precise time of this session will be announced in time.

Presentation Material

Due to practical reasons, please bring in your own device including adapters for your power plugs to demonstrate your software.
