Glyco-Bioinformatics  
Symposium**

**Time-proof Perspectives on  
Glycoscience**

25 – 27 June, 2019, Limburg, Germany

**Instructions for Poster Presentations**

**Location**

The poster exhibition will be placed in close connection to the conference room. Your poster board will be marked with your poster number which is the same in the abstract book.

**Poster Mounting**

Please mount your poster on June 24th from 16.00 to the 25th latest by 8.30.

Your poster will be on display throughout the symposium. You are asked to remove all poster-mounting materials from the board after the meeting otherwise it will be taken down on time by the organizers. The organizers cannot ensure any further responsibility for this material.

**Poster Material**

The size of your poster board is 120 x 90 cm (height x width) and will be marked with your poster number. Hanging material for the poster boards will be provided onsite.
