Applied Biocatalysis**

September 21-23, 2021
Online

Instructions for Poster Presentations

Location

The poster exhibition will be placed on the Morressier conference platform.

Poster Material

The size of your poster is recommended not to exceed the size of 120 x 90 cm (height x width). Please prepare a PDF (max 10 MB) of your poster which can be uploaded on the conference platform. In addition, please also feel free to create a short (5 min) video (mp4 file format) which can be stored next to your poster file on the platform.

You will be notified by email through either Morressier or the organizers when the upload is open.
